

Subject: NOTICE OF ENVIRONMENTAL IMPACT ASSESSMENT (EIA) (BASIC ASSESSMENT PROCESS AND MAINTANANCE MANAGEMENT PLAN: PUBLIC PARTICIPATION PROCESS FOR THE 132kV D/C BOSKLOOF-LAINSBURG LINE REPAIRS, WITHIN BREEDE VALLEY LOCAL MUNICIPALITY OF CAPEWINELEADS DISTRICT AND LAINGSBURG LOCAL MUNICIPALITY OF CENTRAL KAROO DISTRICT, WESTERN CAPE PROVINCE

From: caiphusm@ufefe.co.za

To: abri@skdm.co.za

Date: 8/27/2025, 12:20:16 PM

Good day,

I hope this E-mail finds you well.

We hereby wish to notify you that, UFEFE Development Consultants (Pty) Ltd has been appointed by Eskom:Distribution Cape Coastal Cluster (applicant) as the independent Environmental Assessment Practitioner (EAP) to undertake the EIA for the proposed 132kV D/C Boskloof-Lainsburg Line Repairs, within Breede Valley Local Municipality of Capewinelads District and Laingsburg Local Municipality of Central Karoo District, Western Cape Province.

Notice is hereby given in terms of section 24 of the National Environmental Management Act 1998 (Act No 107 of 1998) and Chapter 6, Regulations 40 – 44 of the EIA Regulations, 2014 (Amended 7 April 2017) of NEMA: EIA Regulations 2014 for the proposed project. We have attached a KML file of the Boskloof - Laingsburg 132kv Power Line, Background Information Document and Web Based Screening Tool Report.

Availability of Draft Basic Assessment Report (DBAR) and Maintenance Management Plan (MMP): The DBAR and Draft MMP will be available for 30 days public review and comments from 01 September 2025 to 01 October 2025, the draft report can be obtained on request from the EAP and hard copies can be found at Laingsburg Public Library, Touwsrivier Public Library, and Worcester Public Library. Comments on the DBAR can be submitted to the EAP on or before 01 October 2025.

Kind Regards,

Mr. Caiphus Mukwevho

Environmental Assessment Practitioner

Good day,

I hope this E-mail finds you well.

We hereby wish to notify you that, UFEFE Development Consultants (Pty) Ltd has been appointed by Eskom:Distribution Cape Coastal Cluster (applicant) as the independent Environmental Assessment Practitioner (EAP) to undertake the EIA for the proposed 132kV D/C Boskloof-Lainsburg Line Repairs, within Breede Valley Local Municipality of Capewinelads District and Laingsburg Local Municipality of Central Karoo District, Western Cape Province.

Notice is hereby given in terms of section 24 of the National Environmental Management Act 1998 (Act No 107 of 1998) and Chapter 6, Regulations 40 – 44 of the EIA Regulations, 2014 (Amended 7 April 2017) of NEMA: EIA Regulations 2014 for the proposed project. We have attached a KML file of the Boskloof - Laingsburg 132kv Power Line, Background Information Document and Web Based Screening Tool Report.

Availability of Draft Basic Assessment Report (DBAR) and Maintenance Management Plan (MMP): The DBAR and Draft MMP will be available for 30 days public review and comments from 01 September 2025 to 01 October 2025, the draft report can be obtained on request from the EAP and hard copies can be found at Laingsburg Public Library, Touwsrivier Public Library, and Worcester Public Library. Comments on the DBAR can be submitted to the EAP on or before 01 October 2025.

Kind Regards,

Mr. Caiphus Mukwevho

Environmental Assessment Practitioner
